## Professional Works

Our goal is to provide unique solutions to unique legal needs. Our products range from low cost transcripts to advanced multimedia CD's loaded with text that is synched to Audio and Video recordings. We serve single attorney firms and some of the largest in the South.

- Technology that includes trial-quality audio & video.
- Real-time and Digital reporters to fit your needs.
- Standard seven-day turnaround at no extra charge.
- Color photograph of all deponents on title page.

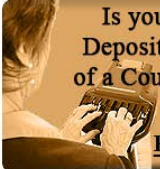

### Quality Service for Every Legal Need

Are you working on a case that needs a transcript? Do you need interpreters and trial court reporters?

Here at L.A. Superior Court Reporters, Inc., we strive to provide fast, on time, quality transcripts for any type of legal support. Formed from an alliance of trial court reporters in Los Angeles, our agency will find ways to provide unique solutions that will match your needs. With our services, you do not need to wait three to four weeks to receive your transcript—we will ship, email, or hand-deliver any documents within a week.

We also provide a wide variety of products such as low-cost transcripts, multimedia CDs, audio, and audio and video recordings. Using the highest level of service, our real-time reporting and daily transcript services can account for any type of legal and corporate matters. Our Los Angeles court reporters dedicate time for arbitrations, trials, mediations, video

## SERIOUS INJURY LITIGATION

### PROTECT YOURSELF AND YOUR LIFE

PERSONAL INJURY LITIGATION IS THE ACT OF SUING A PARTY TO GET COMPENSATION FOR THE COSTS OF A PERSONAL INJURY. THESE COSTS CAN BE CONCRETE, SUCH AS COSTS OF MEDICAL BILLS RESULTING FROM THE INJURY, OR MORE....

[READ MORE](#)

## Welcome!

The Law Office of George Moschopoulos, APC is a litigation boutique specializing in civil litigation matters. Although many cases settle, not all do. If your case does not settle, we can see it through trial. We have represented clients in all manner of cases including business and real estate litigation, commercial lease disputes, class actions, complex fraud claims, employment disputes and serious personal injury matters.

[LEARN MORE](#)

### Wrongful Termination

An employer CANNOT terminate an employee for an illegal reason. If it does, the employer has wrongfully terminated that employee.

[MORE](#)

### Pregnancy Discrimination

Prohibited under California's Fair Employment and Housing Act (FEHA). Discrimination may manifest in the way of a demotion, treatment...

[MORE](#)

### Sexual Harassment

Sexual harassment is prohibited under California's Fair Employment and Housing Act, yet people have to face it every day.

[MORE](#)

### Age Discrimination

Firing an employee on the basis of age if the employee is 40 years or older, and is performing satisfactorily, can be wrongful termination.

## Barotex Fiber Applications

Barotex® fiber fabrics fill a wide range of industrial applications. High strength, dimensional stability, design flexibility and excellent electrical properties are some of the characteristics that ensure optimum performance and economy with this highly engineered material.

[Learn more »](#)

### Welcome to Barotex Technology Corporation

Welcome to Barotex Technology Corporation, provider of Barotex® fibers, a patented new construction and manufacturing material that is superior to conventional construction and manufacturing materials such as fiberglass, Kevlar, carbon fiber, steel, and aluminum in a wide range of applications.

In comparison to conventional construction and manufacturing materials, Barotex can often provide reduced cost of production, greater strength, reduced weight, greater vibration resistance, greater thermal conductivity resistance, greater price stability, and reduced negative environmental impact.

### Featured Projects

**Vehicle Armor**  
Barotex can be utilized to replace the armoring steel utilized by the military, providing a substantial reduction in the overall ...

### Barotex Markets

-  Thermal Insulation
-  Laminated & Coated Fabrics
-  Filtration

#### Request information...
